

8 Weeks Lesson Plan For Class 5th

Week 1 5th Class Maths Lesson Plan

- Class 5 Maths Subject
- Week 1 Period wise Lesson Plan
- **Lesson or Topic:** Numbers
- **Lesson based learning outcomes:** Identify, count, write and compare numbers from 1-99

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
1	Introduction of 1-9 numbers, identification, writing, concept of zero.	Showing numbers using seeds, sticks, teaching on blackboard.	Worksheets	Seeds, Sticks.
2	Introduction of 10-99 numbers, identification, writing.	Activity using sticks and charts, teaching on blackboard.	Worksheets	Sticks, number ribbons, beads chain.
3	Smaller, bigger and equal numbers, introduction of $<$, $>$, $=$ in 1-99 numbers.	Identifying smaller, bigger and equal numbers, introducing $>$, $<$, $=$ signs, activity using sticks and charts, teaching on blackboard.	Worksheets	Seeds, sticks, marbles, balls etc.,
4	Writing 1-99 numbers in ascending and descending order.	Teaching using different activities. Class 2 pg no. 18, Class 3 pg no. 29.	Worksheets	,
5	Writing 1-99 in number names, writing 1-99 number names in	Comparing using different currency notes. Class 3 pg no. 31.	Worksheets	Currency notes, Flash cards

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
	numbers.			

Lesson Plan on Identify, count, write and compare numbers from 1-99
Week 2 5th Class Maths Lesson Plan

- Class 5 Maths Subject
- Week 2 Period wise Lesson Plan
- **Lesson or Topic:** 3-digit numbers
- **Lesson based learning outcomes:** Identify, count and write 3-digit numbers

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
1	Introduction of 3-digit numbers	Writing 3-digit numbers using sticks	Worksheets	Sticks, sticks bundles
2	Writing 100's in 3-digit numbers.	Activities using currency notes	Worksheets	Currency notes
3	Writing 10's in 3-digit numbers.	Activities using Sticks bundles	Worksheets	Sticks, sticks bundles
4	Writing numbers in 1's place in 3-digit numbers	Sticks bundles	Worksheets	Sticks
5	Counting, reading & writing 3-digit numbers in different methods (starting from any number)	Activities using different colour cards	Worksheets	Currency notes, colour cards

Lesson Plan on Identify, count and write 3-digit numbers
Week 3 5th Class Maths Lesson Plan

- Class 5 Maths Subject
- Week 3 Period wise Lesson Plan

- **Lesson or Topic:** 3-digit numbers
- **Lesson based learning outcomes:** Compare numbers from 100 to 999

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
1	Identifying bigger and smaller number among 100 to 999 numbers.	Activity using currency notes, sticks and bundles	Worksheets	Currency notes, Sticks and bundles
2	Comparing 3- digit numbers by using symbols $<$, $>$, $=$.	Activity by arranging the items vertically	Worksheets	Matchbox, carrom coins, currency coins
3	Forming 3-digit numbers by using the given digits.	Activities by students	Worksheets	Currency notes, Flash cards
4	Writing 3-digit numbers in words and numerals.	Activities using colour cards	Worksheets	Currency notes, colour cards
5	Writing ascending and descending order of 3-digit numbers.	Activities using number cards	Worksheets	Chart and number cards

Lesson Plan on Compare numbers from 100 to 999
Week 4 5th Class Maths Lesson Plan

- Class 5 Maths Subject
- Week 4 Period wise Lesson Plan
- **Lesson or Topic:** 4-digit numbers
- **Lesson based learning outcomes:** Identify, write and compare 4 digit numbers.

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
1	Knows about 4 digit numbers (Intro- duction)	Introduce 4 digit numbers using currency notes and flash cards, 4th class TB Pg. 34, 35	Worksheets	Currency notes, Flash cards

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
2	Formation of 4 digit numbers	Activity using currency 4th Class TB pg : 34, 35	Worksheets	Currency notes
3	Writing 4 digit numbers in words and numerals	Use currency notes to write 4 digit numbers in words and numerals.	Worksheets	Currency notes, Flash cards
4	Comparing 4 digit numbers and using symbols <, >, =	Use currency notes to identify small, big numbers and compare 4 digit numbers.	Worksheets	Currency notes, Flash cards
5	Writing ascending and descending order of 4 digit numbers	Write 4 digit numbers in ascending and descending order	Worksheets	Currency notes, Flash cards

Lesson Plan on Identify, write and compare 4 digit numbers
Week 5 5th Class Maths Lesson Plan

- Class 5 Maths Subject
- Week 5 Period wise Lesson Plan
- **Lesson or Topic:** Additions
- **Lesson based learning outcomes:** Can do simple additions.

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
1	Can do simple additions of 1 digit with 1 digit.	Using seeds and sticks, explain normal addition.	Worksheets	Sticks, seeds
2	Can do simple additions of one digit with two digits and 2 digit with 2 digit.	Teaching concept of addition using sticks and making bundles of ten.	Worksheets	Sticks, seeds
3	Can do 2 digit with 2 digit carry forward	Teach Activities from 2nd class	Worksheets	Sticks,

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
	additions.	chapter 6, 3rd class Pg 35, 36.		seeds
4	Can do simple additions of 3 digit number with 1 digit number.	Activity of bundles and sticks from class 2.	Worksheets	Sticks, seeds
5	Can do carry forward additions of 3 digit numbers with 1 digit.	Activities of bundles from 3rd class Pg. 40, 42.	Worksheets	Bundles of sticks

Lesson Plan on Can do simple addition

Week 6 5th Class Maths Lesson Plan

- Class 5 Maths Subject
- Week 6 Period wise Lesson Plan
- **Lesson or Topic:** Additions
- **Lesson based learning outcomes:** Can do simple additions and carry forward additions.

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
1	Can do simple additions of 3 digit with 2 digit.	Activities from 3rd class test book Pg 40, 42	Worksheets	Bundles of Sticks, loose bundles
2	Can do carry forward additions of 3 digit with 2 digit.	Activities from 3rd class test book Pg. 40, 42 using bundles of sticks.	Worksheets	,
3	Can do simple additions of 3 digit with 3 digit.	Activities from 4th class test book Pg. 44.	Worksheets	,

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
4	Can do carry forward additions of 3 digit with 3 digit.	Activities from 4th class test book Pg 44.	Worksheets	,
5	Can do simple additions and carry forward additions of 4 digit numbers with 1 digit, 2 digit and 3 digit numbers.	Activities from 5th class text books.	Worksheets	,

Lesson Plan on Can do simple additions and carry forward additions
Week 7 5th Class Maths Lesson Plan

- Class 5 Maths Subject
- Week 7 Period wise Lesson Plan
- **Lesson or Topic:** Subtractions
- **Lesson based learning outcomes:** Can do subtractions of 1 digit with 1 digit, 2 digit numbers and 3 digit numbers.

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
1	Can do subtractions from 0 to 9.	Uses stones / seeds in the activities.	Worksheets	Stones, seeds
2	Can do simple subtraction up to 99 without borrowing.	Uses seeds and sticks in the activities.	Worksheets	Stones, seeds
3	Can do borrowing subtraction up to 99.	Uses sticks and bundles of 10 in the activities.	Worksheets	Sticks, bundles of 10
4	Can do simple subtraction up to 999 without borrowing.	Uses currency notes in the activities.	Worksheets	Currency notes
5	Can do borrowing subtraction up to	Uses seeds and sticks in the	Worksheets	Seeds and

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
	999.	activities.		stones

Lesson Plan on Can do subtractions of 1 digit with 1 digit, 2 digit numbers and 3 digit numbers.
Week 8 5th Class Maths Lesson Plan

- Class 5 Maths Subject
- Week 8 Period wise Lesson Plan
- **Lesson or Topic:** Subtractions
- **Lesson based learning outcomes:** Can do 3 digit borrowing subtractions.

Period	Micro competencies	1st 45 min Activities	2nd 45 min Activities	TLM
1	Can do borrowing subtraction of 1 digit and 2 digit numbers from 3 digit numbers.	Activities using number cards.	Worksheets	Number cards
2	Can do borrowing subtraction of 3 digit numbers from 3 digit numbers.	Activities using number cards.	Worksheets	Charts, Number cards
3	Can do simple subtraction of 2 digit and 3 digit numbers from 4 digit numbers.	Activities using sticks, stones, cards.	Worksheets	Sticks, Stones
4	Can do borrowing subtraction of 2 digit and 3 digit numbers from 4 digit numbers.	Activities using sticks, stones, cards.	Worksheets	Sticks, Stones
5	Can do subtraction of 4 digit numbers from 4 digit numbers.	Activities using sticks, stones, cards.	Worksheets	Sticks, Stones

Lesson Plan on Can do 3 digit borrowing subtractions
